

Fork Mounted Sweeper

Fork Mounted Sweepers - This attachment truly makes industrial sweeping work much easier to accomplish. The handy forklift mounted broom is designed for use with either dry or wet material clean ups. It could squeegee water and push snow effortlessly. This particular accessory is often used to be able to clean garbage from warehouses, construction sites, docks, parking lots and virtually anywhere it is considered necessary. The lift truck sweeper is a low maintenance accessory that utilizes quick-tite blade products to easily mount to the forklift.
