

Electrical Part for Forklifts

Forklift Electrical Parts - Forklifts may be specifically labeled for use in dangerous locations. A labeled truck denotes the design has met the lowest standards of ANSI/UL 558 used for engine powered forklifts or ANSI/UL 583 for electric forklifts for the type of label put.

The use for labels utilized for lift trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Areas or Use, Maintenance and Operation, and Type Designations. Consult your local insurance carrier and Fire Marshall for further info regarding the permitted uses of industrial powered lift trucks in your application.

If the lift truck has been found to meet the outlined criteria, the following labels could be placed. A labeled truck would have the type description put on the lift truck nameplate and would have one of the following labels put.
